

## CERTIFICATE OF PCI DSS V1.2 COMPLIANCE

*23 July 2010*

### **Anderson Zaks Limited**

*QCC Information Security Ltd certify that Anderson Zaks Limited were found to be fully compliant to the Payment Card Industry Data Security Standard version 1.2 following a PCI DSS QSA audit completed on the date above.*

*The scope of the audit included the Head Office operations in Bracknell and the 3rd party hosting facility . A strong adherence to security best practice was observed and in our opinion Anderson Zaks Limited both met and exceeded the requirements of the PCI DSS standard version 1.2*
